 Choose your view when the screen is locked

Personalization > Lock screen	
Back up your Pictures folder to automatically back up your lock screen image.	Start backup
Personalize your lock screen	Windows spotlight Picture
Choose an app to show detailed status on the lock screen	Slideshow
Show the lock screen background picture on the sign-in screen	On 🌑
Make the lock screen image react when I move my PC	On O
Related settings	
Screen timeout	>
Screen saver	C

Personalization - Lock Screen Status

Choose an application to show detailed status on the locked screen

Personalize your lock screen	Windows spotlight 🗸 🗸		
	None		
Choose an app to show detailed status on the lock screen	Veather and more		
	Xbox Console Companion		
Show the lock screen background picture on the sign-in screen	🖻 Mail		
	Operator messages		
Make the lock screen image react when I move my PC	 Dev Home 		
	🗑 Calendar		

Personalization - Screen Timeout - Power

Select Personalization – Screen Timeout – Power

(Settings for a Laptop)

Pow	۲ ۲		
C	Screen and sleep		^
	On battery power, turn off my screen after	3 minutes	
	When plugged in, turn off my screen after	5 minutes	/
	On battery power, put my device to sleep after	3 minutes	/
	When plugged in, put my device to sleep after	5 minutes	

Personalization – Taskbar Items

- Search Box
- Copilot
- Task view
- Widgets

Taskbar items Show or hide buttons that appear on the taskbar	^
Q Search	Search box ~
Copilot (preview)	On 🚺
Task view	On 🚺
U Widgets	On 💽

Personalization - Taskbar – Task View

 Click the Task View icon from the Taskbar to view all open applications.

Press the Esc Key to return to the application you last had opened or click on one of the opened application to switch.

Personalization - Taskbar - Widgets On

Click the Widgets icon in the lower left corner.

91°F Sunny

- Click the plus sign to edit the Widgets.
- Select a widget and click **Pin**.

🖈 Pin

Personalization - Toolbar - Widgets Off

If you don't want to view any widgets, you can turn this feature off.

U Widgets Off •

Personalization – Start Menu

Choose how the Start Menu appears

Start Menu

Start Menu

- Click Windows icon
- Icons appear similar to Smart Phone

Start Menu – All Apps

- Click All Apps for a list of all applications on your computer
- Right-mouse click on an application to "pin to start" or "unpin to start"

Q Sear	rch for apps, settings, and documents			
All ap	ps			< Back
А				
A	Access	_		
	Accessibility	\$2	Pin to Start More >	~
